SUMMARY

In addition to deepening computer engineering skills through data-centric training, I have worked with analyst teams and streamlined processes to increase operational efficiency. Interested in data analysis and looking to pursue a national or international data engineering role where creativity, challenge, and meaningful contribution are valued.

TECHNICAL SKILLS

Programming Language:

- Python

Libraries or Frameworks:

Pandas | NumPy | Matplotlib | Seaborn |
NLTK | spaCy | Scikit-learn | TensorFlow

Query Language:

- PostgreSQL | MySQL

Cloud & Infrastructure:

- AWS (EC2 | S3 | RDS) | CI/CD

Data Science (DS):

- Data Analysis | Data Visualization |
Machine Learning | Deep Learning | NLP

Microsoft Tools:

- MS Word | Power Point | Excel | Power BI

Soft Skills:

- Communication | Teamwork | Leadership

Language Skills:

- English (Fluent) | Bangla (Native)

ACADEMIC CREDENTIALS

World University of Bangladesh (WUB)

Dhaka, Bangladesh

Bachelor of Science in Computer Science and Engineering
CGPA: 3.40/4.00

2019–09–05 – 2023–09–22

RESEARCH EXPERIENCE / PROJECT

Project Title: "Sales Forecasting using Time Series Models"

[\(Link\)](#)

22 September, 2025 – 08 January, 2026

Skill: Time Series Analysis, Data Preprocessing & Cleaning, Exploratory Data Analysis (EDA), Model Evaluation.

Project Title: "Digital Music Store Data Analysis using SQL"

[\(Link\)](#)

12 November, 2024 – 10 April, 2025

Skill: SQL, PostgreSQL, Data Analysis, Problem Solving.

Project Title: "Customer Segmentation for SBI Credit Card Holders"

[\(Link\)](#)

15 April, 2024 – 28 July, 2024

Skill: EDA, Hyper-parameter Tuning for Clustering, Model Evaluation, Segmentation Analysis.

Title: "Exploring URL Analysis Techniques for Phishing Website Detection Using Natural Language Processing and Deep Learning" [\(Link\)](#)

05 May, 2023 – 05 September, 2023

Skill: Deep Learning, NLP, Data Analysis, Python, Networking & Research.

PROFESSIONAL EXPERIENCE

Merkle | Junior - level Data Analyst

Online Remote | 2025-04-10 – Present

Merkle is a leading CXM and media company with 10K+ global professionals, part of Dentsu International.

- Developed a strategic product line based on analysis of ad campaigns, clickstream, and survey data, addressing rising demand. Used time series forecasting (92% accuracy) to optimize budgets and ran A/B tests with statistical rigor, achieving a 20% MoM conversion lift.
